

Intelligent Space Utilization...

Add convenience and make the most of your space with roll-out trays, lazy susans, mini pantries, baskets and bins, plate racks, wine racks, and much more. We offer a complete selection of tall and utility cabinets, island and peninsula cabinets, oven cabinets, diagonal cabinets, microwave cabinets, vanities, as well as home office and entertainment center cabinetry. You can order custom modifications to almost every cabinet. Create unique sizes. Add glass doors or decorative panels. Create cabinets with angled or clipped corners. With all this versatility, your design options are wide open - even if your budget is not. *Come talk to us about all these affordable possibilities!*

Your Showplace Begins Here.

The kitchen is the hardest-working room in the home. It must be efficient, durable, and functional. *Yet it can also be so much more:* The kitchen can be a creative expression of your own unique personality. At *Caitland Kitchens & Bath*, we understand that. Our extensive selection of top-quality Showplace cabinetry gives you the creative freedom to express your personal style perfectly. And with great Showplace value, your practical side will be pleased, too!

You'll feel right at home...

At Caitland Kitchens & Bath, we take pride in making you feel welcome, valued, and right at home. We'll take the time to get to know you, your needs, and your style. Then we'll work with you to create that unique creation that now exists only in your imagination. Our cabinetry professionals will help you navigate the complexity, and narrow your choices from the vast array of options. Then our skilled designers will go to work, creating previews of the design that you can fine tune and refine. Finally, we'll coordinate all of the installation in your home, making for an efficient and smooth process. Call to learn more today. *Because your Showplace begins right here...*
